

Project Update: 2002

Summary of our achievements so far...

- Three Filipino delegates were funded to attend the Northern Sierra Madre Philippine Crocodile Conservation Workshop (NSM- PCCW)
- Funds and other logistic support were provided for the NSM-PCCW
- 4,000 posters were produced and distributed in areas adjacent to and within the western sector of the Northern Sierra Madre Natural Park
- A Philippine Crocodile survey on Jomalig Island was funded
- Two articles were submitted for publication (one since published)
- Three presentations were made to conferences and zoo staff
- Highlights of the work in Northern Sierra Madre were placed on Melbourne Zoo's website.
