

Project Update: August 2014

Our team has been visiting primary, middle and higher secondary school. As it is a follow up project from last year with the support of RSG, Our team find easy to reach school students and better knowledge about dugongs and their habitats.

The name of the schools covered until now are:

- 26th June 2014 - Dugong conservation awareness education at Government Girls Higher Secondary School, Adirampattinam (60 students participated).
- 7th July 2014 - Same event held at Tambikottai Vadakadu Village Primary School (151 students participated).
