

### **Project Update: June 2014**

This is to kindly inform you that OMCAR Foundation is selected by Government of Tamil Nadu for State Environment Award - First prize for Palk Bay Centre environmental education in the last three years in the field of marine conservation. This is the first time recognition from the local government. It is a highly competitive, as it is an open competition announced in local newspapers, and our state has many hundreds of environmental NGOs and groups. The award will be given by State Environmental Minister on 5th June 2014. Our sincere gratitude for all your good support from Rufford Small Grants, for sponsoring our awareness and conservation events in the first project received from RSG.
