

Project Update: August 2017

Lagoon and fisheries harbour cleaning programme at Kandakuliya, Kalpitiya.

Bio Conservation Society (BCSL), Kalpitiya Police Station, and community members of the Kandakuliya fisheries Societies jointly organised a beach cleaning programme at Kandakuliya village on 16th August 2017. Kandakuliya Navy officers, officers of the Civil Security Forces, Kalpitiya Pradeshiya Sabawa and Kalpitiya fisheries inspector also participated. A large group of community members participated in the programme to clean the lagoon and beach in Kandakuliya village. After the cleaning programme, BCSL distributed cloth bags to the community members to reduce the use of polythene bags.
