WELCOME TO SNAKE ISLAND!

GOLEM GRAD ISLAND, APART FROM ITS RICH HISTORICAL AND CULTURAL SIGNIFICANCE, IS A HOME TO SEVERAL SPECIES OF ENDANGERED BIRDS, MAMMALS AND REPTILES. WE ARE ALL GUESTS ON THIS ISLAND, SO WE SHOULD FOLLOW A FEW RULES OF GUEST ETIQUETTE FOR A PLEASANT STAY WITH OUR HOSTS:

1. PLEASE STAY ON THE MARKED PATHS WHEN WALKING AROUND THE ISLAND. THEY'RE SPECIFICALLY DESIGNED FOR YOUR SAFETY.
2. YOU MAY ENCOUNTER WILDLIFE SUCH AS SNAKES AND TORTOISES DURING YOUR STAY ON THE ISLAND. PLEASE DO NOT DISTURB ANY ANIMAL YOU SEE!
3. DO NOT BE TEMPTED TO TAKE SMALL TORTOISES WITH YOU. TAKING EVEN ONE INDIVIDUAL MAY HAVE SEVERE CONSEQUENCES FOR THE ENTIRE POPULATION!
4. SOME BIRD SPECIES THAT INHABIT THE ISLAND LAY THEIR EGGS ON THE GROUND. TREAD CAREFULLY AND DO NOT TOUCH OR DISTURB THE NEST.

KEEP THIS LEAFLET WITH YOU OR GIVE IT BACK TO YOUR GUIDE. DO NOT THROW IT AWAY!
