

Project Update: October 2006

We are proud to inform you The Red-Tailed Amazon Parrot Conservation Project, which our NGO carries out in Southern Brazil and which is supported by Rufford Foundation, has been distinguished with the "Prêmio Expressão de Ecologia" (Expressão Ecology Award).

Since 1993, this prize is awarded by the "Expressão Magazine" – a Brazilian business from Florianópolis city – recognizes the best good practices developed by NGOs, private companies and government in favour of environment.
