

Project Update: March 2012

January 2012:

- Required office equipment and materials procured.
- 600 Medicinal Wildlife posters reproduced and circulated for further awareness raising.
- Publicity for RSG subsidised hunting permits for legal access to medicinal wildlife started.

February 2012:

- The script of the film *“Medicinal Wildlife Palaver”* has been finalised. The Film Shooting Authorization has been obtained from the Ministry of Arts and Culture. The film is being shot in locations in Bamenda and Bafut by Africaroots Production as contracted.

March 2012:

- Editing of *“Medicinal Wildlife Palaver”* being finalised for production.
- *“Medicinal Wildlife Quarter Hour”* radio slot started at radio Abakwa, Bamenda. Continues every 2nd and 4th Thursday of subsequent months, with possible replays over other radio stations.
