

Promoting Community Based Conservation Efforts in Lower Humla Nepal

The following activities have been accomplished as of November 2024:

1. Household Surveys

80% of the household surveys within Sarkegad Rural Municipality have been completed. The remaining 20% will be conducted in the coming months.

2. Documentary Production

The production phase of the documentary has been completed. This involved traveling to Lower Humla for on-site filming, capturing footage of landscapes, wildlife, cultural events, and conservation activities.

Project update: November 2024

Remaining Activities

- Post-Production: Editing and finalization of the documentary
- Eco-Club Formation
- Household Surveys (Remaining 20%)
