**41641-B**

**Boosting nationwide vulture conservation by connecting people, government and development projects through monitoring and awareness workshops.**

2025 February to April

**February :**

## **Nepal Owl Festival 2025 participation**

Awarded with National Nature Conservation Award 2025

For my efforts in conservation of birds and nature. Posters were distributed to locals participating in the program. Participants were made aware about the importance of vultures by describing the status of Vultures in Nepal and distributing the awareness materials like posters and pamphlets of Vultures.

Participants at Nepal Owl Festivals 2025

## March :

Supported technically and financially the Ornithological Training for undergraduate at Institute of Forestry, Pokhara Campus, Tribhuvan University. I presented a lecture to 40 students in training describing, The Status of Raptors of Nepal and Conservation Challenges. Rufford Logo was also displayed in the program banner.

Participated in International Conference organized by Pokhara University , Conference on Recent Trends in Science, Technology and Innovation. 19 to 21 March 2025 .

Workshop with Ministry of Forest and Environment, Gandaki Province and all stakeholders related with vulture conservation issues. To address the threats to vulture and suggest Nepal Government to allocate some fund in upcoming budget for vulture conservation In Gandaki Province.

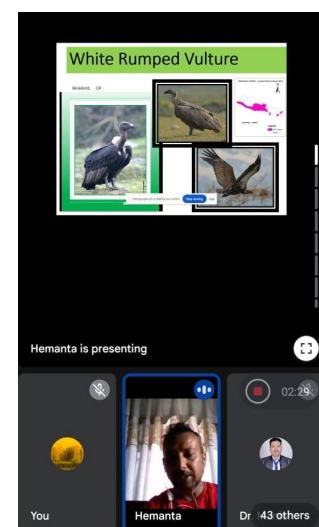

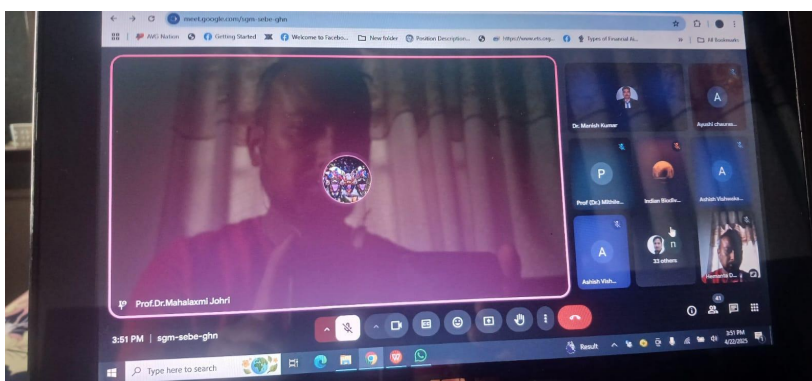

**April:**

A talk program with the Airport officers International to discuss on the mitigation methods for collision risk of vultures with planes at Pokhara Regional Airport.

**Presented a paper as Keynote speaker a online webinar organized by PK University of India. I presented a paper on the Status and Conservation Challenges of Vultures in Nepal.**
